

Biruktawit Abera | Front-End Developer & UI/UX Designer

Addis Ababa, Ethiopia | biruktawitaberaa@gmail.com | +251901835465 | [LinkedIn](#)

About Me

Enthusiastic front-end developer and UI/UX designer with over three years of expertise creating captivating and intuitive online applications. competent with TypeScript, Tailwind CSS, React, Next.js, and Figma, and skilled in creating user-friendly designs and smooth experiences. developing backend abilities with Django at the moment in order to become a full-stack developer.

Work Experience

Kuraz Tech | Front-End Developer

January 2024 – November 2024

- Tailwind CSS, Next.js, and React were used to create and optimize responsive web applications.
- Enhanced user engagement through UI/UX solution design and implementation in collaboration with designers.
- Ensured seamless API integration and frontend-backend communication.
- Maintained version control through the use of GitHub and Git, guaranteeing seamless project cooperation.

Xcel Tech | UI/UX Designer & Front-End Developer

January 2024 – September 2024

- Led UI/UX design initiatives for multiple projects using **Figma**.
- With Tailwind CSS and React.js, wireframes and prototypes were transformed into fully functional front-end applications.

- Close collaboration with backend developers was required to execute RESTful API integrations.
 - There was a 30% reduction in load times and an improvement in web performance.
-

Education

Addis Ababa University

Bachelor's Degree in Software Engineering (Expected 2025)
